NOTICE

WATER SUPPLY INTERRUPTION

Please be advised of a water supply interruption that will occur on **Tuesday, 29 Sept 2015**, as a result of planned maintenance of infrastructure.

The supply of water will be affected in the Camperdown/ Mkhambathini area.

Accordingly, I shall be pleased if the community would reserve enough water to sustain them for the duration of the imminent interruption

It is envisaged that the interruption will commence at **09h00 in the morning and last up to 18h00.**

Water tankers will be at strategic points. Consumers are urged to utilize water sparingly and to store adequate water. uMDM apologizes for the disruption and inconvenience that may be caused. For water queries, complaints, please contact our Hotline Toll-free Number: 0800 864911

Yours in development,
